

2006 Middle School Science Bowl (MSSB)

Academic & Hydrogen Fuel Cell Car Competitions - Team Registration

Complete this form to register your team(s) for the 2006 Chicago Middle School Science Bowl. If one of your teams is participating in the Academic Competition on February 9, 2006, please list them under Team #1 and return the form by **January 18, 2006**. Team #1 will be the only team participating in all three competitions: Academic, Car Race, and Car Design Competitions*. Team #2, if needed, will participate in Car Race and the Design Competition. A third team for only the Car Race is available if needed. Furthermore, for DOE national reporting purposes, it is important to compile the gender and racial/ethnic background of students participating in the Regional Science Bowl. Please complete the form and mail or fax it using the information at the end of the form. THANK YOU!

SCHOOL _____ TEACHER _____
PHONE: _____

Number of Males: _____

Number of Females: _____

Number of Team Participants by Racial/Ethnic:

_____ African American (having origins in any of the black peoples of Africa)

_____ Asian

_____ Pacific Islander (Micronesian or Polynesian)

_____ Caucasian (having origins in any of the original peoples of Europe, North Africa or the Middle East)

_____ Native American Indian (having origins in any of the original peoples of North America and maintaining cultural identification through tribal affiliation or community recognition)

Team # 1: The Academic, Hydrogen Fuel Cell Car, and the Best Car Design Competitions

Name of

Vehicle: _____

Student Team: 1. _____ 4. _____

2. _____ 5* _____

3. _____ 6* _____

*4 students, 1 alternate, 1 coach. The team with the best overall combined score for Academic and Fuel Cell competitions will be allowed to travel to the National Middle School Science Bowl in Colorado. Only 1 team per school will participate in the Car Design Competition.

These teams below are NOT participating in the Academic Competition.

Team # 2: Hydrogen Fuel Cell Car Competition (race) and Best Design Competition:

Name of

Vehicle: _____

Student Team: 1. _____ 4. _____
2. _____ 5. _____
3. _____ 6. _____

Team # 3: Hydrogen Fuel Cell Car Competition (race):

Name of

Vehicle: _____

Student Team: 1. _____ 4. _____
2. _____ 5. _____
3. _____ 6. _____

EVENTS – both require US citizenship (18 yrs and over) and gate clearance!

February 9, 2006, 8:30 am – 3:00 pm. The Academic Competition at the APS 402 Conference Center.

February 18, 2006 (9 am-1 pm) The Fuel Cell Car Teacher Workshop, Argonne, Building 223. Two students are allowed to attend on the 18th with their coach.

Please list all persons attending including “full team”, specific students, parents, and driver(s).
